The purpose of this policy is to ensure that all prospective students are considered for courses, on a consistent basis and are able to access appropriate advice and guidance.

2. Policy statement

Blackpool and The Fylde College encourages and welcomes applications from all prospective students. It celebrates and values the diversity of its students and recognises that B&FC will benefit from attracting and retaining students from a wide range of backgrounds, helping them realise their goals and aspirations.

B&FC is committed to providing a professional admissions service in order to promote fair and equal access to all prospective students who have the potential to benefit from and contribute to the College.

B&FC will provide impartial information, advice and guidance to enable enquirers and applicants to:

- make appropriate choices in line with their previous experience, qualifications and career aspirations including relevant work/life experience and knowledge.
- understand the opportunities for progression.

This policy complies with relevant consumer, equality and diversity legislations affecting the admission of students and takes account of best practice, including the UK Quality Code for Higher Education, Competition and Markets Authority legislation, Education and Skills Funding Agency, Institute for Apprenticeships & Technical Education, UK Visas and Immigration, B&FC's Financial Regulations, Policies and Procedures, Office for Students requirements and UCAS' good practice resources.
