IF YOU'RE 19 OR OVER AND DON'T ALREADY HAVE QUALIFICATIONS AT LEVEL 2 OR LEVEL 3, YOU CAN ENROL ON ONE OF OUR B&FC LEVEL 2 OR 3 COURSES FOR FREE.

ADVANCED LEARNER LOAN FOR LEVEL 3 QUALIFICATIONS

If your circumstances mean you can't access a fully funded qualification, you can still study with us and pay no upfront fees.

There's nothing to pay upfront and you don't have to pay anything back until you're earning over £27,295¹ a year. Even then, you only pay back 9% of what you earn above this amount. After 30 years, even if you haven't paid back the full amount, your loan is written off entirely.

What's more, if you study an Access to HE course and then go on to do a degree, your Advanced Learner Loan is written off.

NAME:

Carrie Lee

COURSE:

Level 3 Access to HE
Diploma in Social Science

Prior to starting my Access to HE course and due to circumstances beyond my control, I had lost my business and my income so understandably financial concerns were preying on my mind. I was worried that returning to education and purchasing any required resources would be additional burden. However, being able to get an Advanced Learner Loan to pay for my tuition fees, a regular monthly bursary provided by the College and a free bus pass meant this was something I didn't need to worry about.

As a mum of three and a wife, being able to study without worrying about finance was a huge weight off my shoulders and meant I could really concentrate on my coursework.

What's more, as I decided to continue my education to degree level once I had completed my Access course, my Advanced Learner Loan has since been written off.

Carrie received:

Advanced Learner Loan

£60 monthly bursary

Help with childcare costs

FREE bus pass worth £750

FREE breakfast

ADVANCE YOUR CAREER WITH A B&FC APPRENTICESHIP

If you're 16 or above, an apprenticeship provides the best of both worlds; the chance to work towards a nationally-recognised qualification and develop your career at the same time.

HOW DO THEY WORK?

Apprenticeships suit people wanting to get a foot on the career ladder, earning a wage for doing a real full-time job. They also suit people who have already been working for a while, since they provide formal recognition of your knowledge and skills, helping you to move up the ranks. Assessment mostly takes place in the workplace. You'll be working for 4 days a week, with 1 day a week spent doing 'off-the-job' training, such as shadowing a colleague or developing your skills at College.

A PERSONALISED PROGRAMME

The great thing about a B&FC apprenticeship is that it's personalised to you. When you start, we will allocate you a skills coach, who will visit you at least once a month to guide and support you through your programme and help you to plan for your future. We also provide specialist support for your English and maths and for any additional needs you make us aware of.
