1. **Scope and purpose of policy**

This policy applies to students who are not defined as a *Home Status Student*.

Definition of a Home Status Student is as follows:

a person who is 'settled' in the UK, and who has been ordinarily resident in the UK and Islands (that is including the Channel Islands and the Isle of Man) for the 3 years preceding the first day of learning. 'Settled' means having either indefinite leave to enter or remain (ILE/ILR) or having the right of abode in the UK. British citizens and certain other people have the right of abode in the UK as follows:

- British nationals who hold a United Kingdom of Great Britain and Northern Ireland passport
- Irish nationals
- European Union nationals or family members of EEA and Swiss workers (resident in the UK before 1 January 2021) with settled or pre-settled status
- students who are children of Turkish workers where the Turkish worker has been lawfully employed and resident in the UK before 1 January 2021
- British Overseas Territory Citizens
- those whose passports have been endorsed to show they have right of abode in the UK
- those who have a certificate of naturalisation or registration as a British Citizen
- those with Hong Kong British National (Overseas) (BN(O)) visa who have been given Home Office permission to reside in the UK

An individual having the right to live or work in England does not necessarily make that person eligible for state funding (Home Status) for education and training. Individual immigration categories and visa types are assessed on an individual basis in line with Home Office and funding guidance.

This policy will be updated when further publication of central government policy changes takes place.

2. **Policy statement**

Blackpool and The Fylde College encourages and welcomes applications from all prospective students who are eligible to study in the UK. It celebrates and values the diversity that international students bring to B&FC. Furthermore, B&FC will benefit from attracting and retaining those students.

B&FC takes every reasonable step to ensure that every student has permission to be in the UK, and carries out the necessary immigration status checks to ascertain any study restrictions and where appropriate funding eligibility.

B&FC will ensure that all non-home status students are charged the commercial rate for their tuition at the College plus an additional fee to ensure that it covers the additional administration costs of recruiting, monitoring and retaining international students.

Any variation to planned fees is at the discretion of the Vice Principal Finance and Planning.

3. Accountability

The Vice Principal Finance and Planning is responsible for the updating of this policy.

4. Student Involvement

International students must provide evidence of their eligibility to study in the UK in the form of a visa and/or relevant passport and must pay their tuition fees in line with B&FC policies and procedures.
