

Citrix Workspace Installation

This guide describes the process of installing Citrix Workspace allowing staff and students to run a virtual College PC on an iOS device (iPad and iPhone).

Please note the images below are for illustration only and may differ between application versions.

Installation

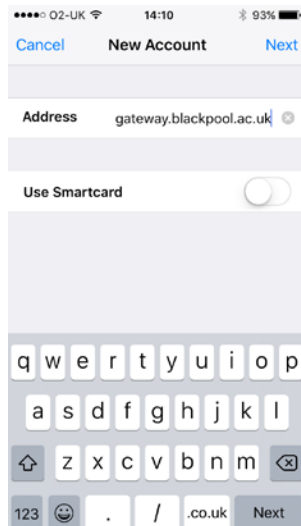

<p>Step 1:</p> <p>Open the “Apple app store” on your iPhone / iPad and search for “Citrix Workspace”</p>	 <p>The screenshot shows the Apple App Store search results for 'Citrix Receiver' and 'Citrix PartnerMobile'. The top result is 'Citrix Receiver' by Citrix Systems, Inc., with a 4.5-star rating and 110 reviews. Below it is 'Citrix PartnerMobile' by Citrix Systems, Inc. The interface includes a search bar at the top, a grid of app cards, and a bottom navigation bar with icons for Featured, Categories, Top Charts, Search, and Updates.</p>
<p>Step 2:</p> <p>Install the app</p>	 <p>The screenshot shows the Citrix Receiver app installation screen. The app title 'Citrix Receiver' is at the top. Below it are two buttons: 'Add Account' and 'Get Demo'. At the bottom, there is a link that says 'Learn more...'. The background is a dark gradient with the Citrix logo.</p>

Step 3:

Click "Add Account"

type in the Address dialogue box
"gateway.blackpool.ac.uk"

then click Next

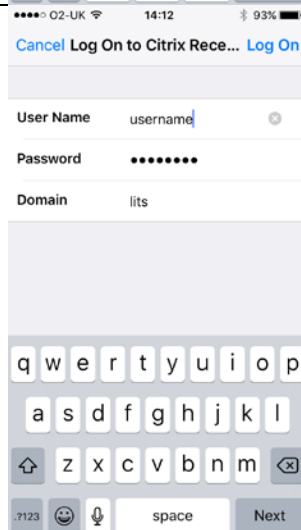

Step 4:

In the User Name & Password field

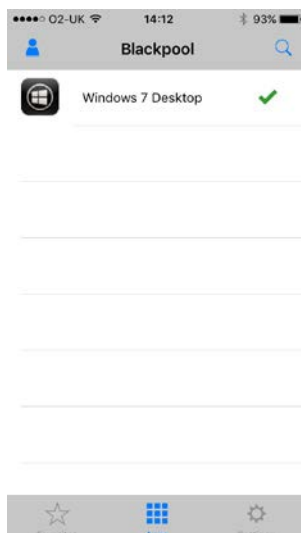

Type your User Name and Password
used to log into a College PC

in the Domain field "LITS" Then Click
"Log On"

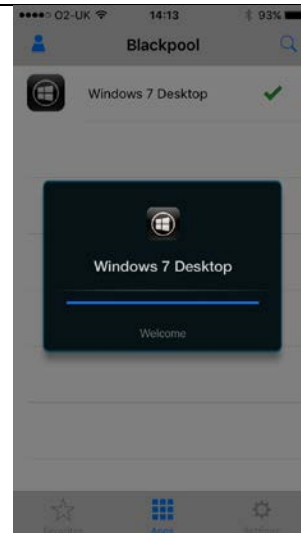

Step 5:

Click on the Windows 10 Desktoplink

Step 6:

A virtual College PC desktop will launch

Step 7: The virtual College desktop

Step 8: Once you have finished please click on the start menu and click Disconnect and then Yes on the confirmation dialog box
