1. Scope and purpose of policy

This policy applies to home status¹ students only and defines the student's liabilities for fees to be paid for tuition, exams, trips and any refunds a students will be eligible for should they choose to withdraw from or cancel an enrolment from a course or apprenticeship at Blackpool and The Fylde College (B&FC).

Circumstances where students may be eligible to apply for a refund are:

- they leave their course of study before they complete the course;
- they are eligible for the course to be fully funded by the ESFA at the point of enrolment or;
- they subsequently become eligible for a student loan to pay their course fees or
- they subsequently receive sponsorship for payment of course fees or;
- in the unlikely event that there is a disruption or withdrawal of the programme of study for Higher Education students or;
- the course or trip is cancelled by B&FC or;
- the resources provided by B&FC have been returned by the student as per the terms of the loan/agreement, for example locker keys.

This policy aligns to the HE Student Protection Plan where assurances relating to continuation of study, and actions in place to mitigate the impact of any significant changes to delivery or location are clearly identified.

2. Policy Statement

B&FC is committed to ensuring that all refunds meeting the eligibility criteria are processed in a timely and compliant manner.

B&FC recognises its:

- Statutory responsibilities:
 - Consumer Rights Act 2015 (CRA)
 - Higher Education and Research Act 2017 (HERA)
 - Registration with the Office for Students
- Sector-wide responsibilities:
 - OIA and/or QAA guidance
 - ESFA guidelines for refunds for apprenticeships.
 - Student Loan Company payment profile for refunds related to student loans and adult learner loans
- Institutional responsibilities:
 - Ensuring consistency with institutional regulations

They are a citizen of a country within the European Economic Area (EEA) or EU Single Market, or have the Right of Abode in the UK. And they have been ordinarily resident in the EEA for at least the previous three years on the first day of learning. An individual having the right to live or work in England does not necessarily make that person eligible for state funding (Home Status) for education and training. Individual immigration categories and visa types are assessed on an individual basis in line with Home Office and funding guidance.

2.6 Students studying Off-Premises or on Distance Learning Contracts

The student contract with B&FC is formed on the date of their booking. They have a statutory right to cancel or withdraw their booking. Under Regulation 30 of the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 this statutory termination right ends 14 days after the day on which the contract is entered into.

If a student wishes to cancel the contract, this must be received in writing by emailing to one of the below, making a clear statement setting out their decision of their intention to cancel:

Fleetwood; Maritime or Offshore courses: offshore@blackpool.ac.uk

ALL other courses: studentadminbispham@blackpool.ac.uk

If the student books within the 14 days before the course is due to start, the student foregoes the right to a cancellation period. If the course/service is provided within the statutory cancellation period and they notify B&FC of their decision to cancel the contract in accordance with Regulation 32, the student is liable to pay B&FC fees in accordance with Regulation 36(4).

Under Regulation 36(4), the student must pay B&FC an amount: For supply of the service for the period for which it is supplied ending with the time when B&FC is informed of the decision to terminate the contract; and which is in proportion to what has been supplied in comparison to the full coverage of the contract.

2.7 Refunds for trips

Students are able to apply for a refund of trip fees paid if the trip is cancelled by B&FC. Refunds are not normally made where the student cancels their trip reservation; where there are exceptional circumstances a refund may be made at the discretion of the Chief Operating Officer.

2.8 How to apply for a refund

Students must complete a refund request form and submit it to Student Administration to be authorised by the Head of Curriculum and Head of Student Administration and Achievements.

If the student is active they must confirm their bank details via Moodle, and if they are no longer active or do not have access to Moodle they must complete their bank details on the refund request form.

For apprenticeships, Student Administration and MI&F will calculate if a refund of fees are due, and where appropriate refunds will be issued to employers.

To comply with anti-money laundering regulations, refunds should be paid back to the account they were originally paid from, unless otherwise authorised by the Financial Controller.

B&FC cannot accept any liability for payments made to incorrect bank accounts,

as the student or sponsor provides this information on their request. It takes a minimum of 3 working days for a change of bank details to take effect.

3. Accountability

It is the responsibility of:

- the student or sponsor to request a refund of their fees
- the Administration Officer to check that the form is fully completed
- the Head of Curriculum and Head of Student Administration and Achievements to authorise fee refund requests
- the Student Administration Manager to ensure refunds comply with B&FC policy and procedure before requesting authorisation and process authorised refunds on EBS
- the finance team to make the refund payment to the student
- the Financial Controller to authorise refunds to an account other than the one making the payment.
- the Chief Operating Officer to assess and authorise refunds for trips due to a student's exceptional circumstances
